

Tank-mix Sheet

Please note that physical compatibilities may not be approved tank-mixes. The tests do not check for any adverse crop phytotoxicity or for the biological efficacy of the individual components when applied in a tank-mix. Bayer Crop Science gives no warranty and accepts no liability in respect of physical compatibilities; therefore, use is at grower's own risk.

All the requirements or restrictions on other product labels must be adhered to when tank-mixing with Luna[®] Sensation. All mixes are compatible with constant agitation only. Contact Bayer for full details. Bayer will support the tank-mixing of Luna[®] Sensation with **only one** of the following tank-mix selections. **Do not mix Luna Sensation with Pyrethrum 5EC.**

Fungicides		
Karma 85*	Nimrod	Serenade [®]
Topas*
